FREQUENTLY ASKED QUESTIONS

WHAT IS A HACKATHON?

A Hackathon is an event where groups of people come together to solve a problem in a short span of time.

WHO CAN SIGN UP FOR STEM HACKS?

Anyone! Well.... Anyone in grades 6-8.

WHAT PROBLEM WILL WE BE SOLVING?

Our challenge is top-secret and will be revealed at the hackathon. Join us! We need your help.

HOW DO I SIGN UP?

Log on to www.stemhacks.net to sign up. Spots are limited, register today.

HOW DO THE TEAMS WORK?

If you have a team already, include their names on your form. If you don't have a team, we'll help you find one!

IS THERE A FEE TO REGISTER?

Thanks to generous funding through the Humber Community Partnership Fund, STEM Hacks 2019 at Humber is FREE.

I'VE GOT QUESTIONS, WHAT DO I DO?

No problem, just email us at contact@mathstronauts.ca and our team is happy to help!
